Never experience overcrowded classrooms or high student to teacher ratios. Receive individualized and diverse education by highly qualified and certified teachers. Eliminate the stress your child receives at the start of the school year by “bridging the gap” from one grade level to the next. Never experience the “brain drain” during breaks throughout the year or the summer with our year round supplemental educational services.

BASIC equips students to increase classroom achievement, improve self-confidence, and master standardized assessments that include, but are not limited to, the CRCT, GHST, ACT, SAT, GED, IOWA & SSAT.

BASIC has established a reputation of excellence. Our clients have embarked on a journey of educational discovery and have mastered every challenge.
